

# CORPORATE PROFILE

INSPIRING INTERIOR SPACE DESIGN

## ABOUT FRONTPRISE

# THE ROAD TO EXCELLENCE

The journey of Frontprise began with a humble furniture shop in the year 2015, where we realized the potential to inspire the spaces we were granted the opportunity to design. Our commitment was to consistently deliver the highest standards of furniture and fittings all whilst adhering to the strict demands of timeliness in the industry. With this objective in mind, it saw the eventual evolution of our operations into a 22,000 square-foot factory.

Our commitment to excellence has enabled us to imprint our standards of quality in the industry. We pride ourselves in our fine craftsmanship of furniture and fittings that excels in delivering an edge to our clientele and withstanding the test of time.

Being a specialized fit-out contractor in Malaysia, we seek to inspire excellence in the spaces we design. With a consistent track-record of timely delivery and exceptional quality in our craft, we commit to always exceed expectations.

**Authorized Capital :** RM 1,000,000

(Main) Frontprise Sdn Bhd, Frontprise Interior Sdn Bhd & Frontprise Engineering Sdn Bhd., Frontprise Construction Sdn Bhd.

**CIDB Grad :** G7

**Established :** 2015

## OUR MISSION

To consistently deliver excellence in craftsmanship and inspire through interior space design.

## OUR VISION

To be the industry leader in contemporary space design with the highest standards of furnishing and fittings to everyone from different walks of life.

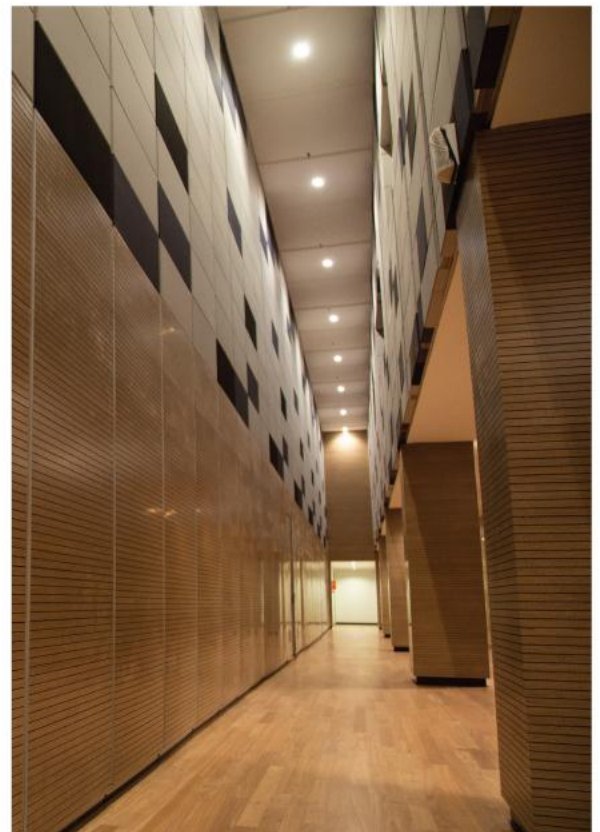

## OUR BRAND VALUES

Our forte is in realising your vision with the perfect balance of style and form. We have an innate sense of harmonising elements to bridge functionality and aesthetics.

Because we know that every space has a story to tell, and our commitment is in ensuring every single space we design is as memorable as it is extraordinary.

It surprises, tells a story and makes the everyday a little less ordinary.

# HARMONISING ELEMENTS TO BRIDGE **FUNCTIONALITY & AESTHETICS.**

CRAFTSMANSHIP

# OUR TECHNOLOGY

Frontprise is constantly on the lookout for new machinery and technology of the highest standards to ensure quality and craftsmanship are not compromised.

Frontprise adopts both conventional and latest technology along with our 22,000 square-foot factory in our methodology to match and meet the highest standards of our clients.

# OUR CLIENTS

The logo for Setia, featuring the word "Setia" in a blue, sans-serif font with a small red diamond above the letter 'i'.

TAN & TAN DEVELOPMENTS

We strive to work closely with both our clients and our suppliers in delivering the highest quality of furnishing and fittings within the indicated budget and timeline.
